25X1C

In the following examples of staging timetables a turn-round time of three hours has been allowed for all aircraft. Retrieval crews are in position a minimum of ten hours before the scheduled arrival of a U-2 and launch crews do not depart until a minimum of ten hours after a launch. 'D' is defined as the day and hour of departure of the first aircraft from Edwards. It is usual to give the Unit seventy-two hours notice of an impending deployment; in an emergency this could be reduced to eighteen hours this is the time required to deploy transport aircraft to Edwards AFB.
